Virginia Youth Leadership Institute

July 16 - 20, 2012

8:30 a.m. - 5:30 p.m.

REGENT UNIVERSITY PROFESSIONAL & CONTINUING EDUCATION

This dynamic summer program will prepare today's youth to be tomorrow's groundbreaking leaders.

As the youth of today will soon emerge into positions of leadership, it is important to prepare them to be leaders who serve society with values that promote understanding among diverse cultures, with perspective to address complex challenges and with service to seek what is good. For this purpose, the Virginia Youth Leadership Institute is teaming with the International Leadership Program. This pairing will both challenge students to broaden skills and talents in everyday leadership here in America, and encourage them to explore global opportunities while interacting with International students.

Program Highlights:

Participate in fun
outdoor challenges

Receive feedback and
guidance on leadership

Engage in Q&A sessions with
experienced professors

Student presentation and
dinner on Friday, July 20

Sharpen your skills through:

- The Fundamentals of Effective Leadership
- Awakening the Leader in You
- Religious Perspective on Leadership
- Leading in the Modern World
- Understanding your personal leadership style through a Leadership Assessment

Students can journal about each lesson, and may use these notes at the end of the week during a required "Exit Essay." Through this, students will bring what they've learned and experienced to the stage. We will award the top three essays with special prizes, and honor each students' endeavors as leaders with our concluding dinner awards ceremony. No matter what field of study each student may enter, our goal is to give all participants the tools they need to become innovative Christian leaders who can change the world.

Learning Outcomes:

Learn key leadership skills

Participate in a university
experience at a high school
level

Receive teaching by
university professors and
working professionals from
varied fields of study

Shape leadership skills to
make an impact in future
fields of study
